News from the Bridgewater Food Pantry: A heartfelt thank you for the monetary, and in-kind donations, as well as your prayer support. There continue to be between 50 and 60 households each month shopping at the Pantry. Monies for food products continue to be in ample supply, but donations for the personal care items and household items are dwindling. Stricter limits on the number of items a household can receive are being used. It may seem strange to us that even purchasing toothpaste, body wash, or laundry detergent, may be out of the budget for these friends. Please prayerfully consider whether you can help. Products can be left in the box under the foyer table. Checks may be made out to our church, (give to Susan), or to the Bridgewater Food Pantry, (give to Judy). Either way your donations are tax-deductible.
